THIRD-PARTY INTEGRATION RMS, CAD, FINANCE, AND OTHERS

Engine Companies & First Responders

Company Inspector Mobile

Perform pre-plan surveys and engine company inspections with any mobile device. Electronic pre-plans automatically flow through Pre-plans Mobile to first responders.

Pre-plans Mobile

Integrate with CAD or directly deliver and display electronic pre-plan and hazmat information to first responder and mutual aid partner mobile data terminals (MDTs) and smartphones.

Fire Marshals & Life Safety Inspectors

Inspector Mobile

Complete 40 percent more inspections onsite while eliminating paper and redundant data entry with custom checklists, onboard published and custom code sets, signature capture and handwriting recognition, and simple inspection scheduling.

Inspector Mobile Plus

Enjoy all the power of Inspector Mobile, plus custom invoicing and payment management reporting and tracking.
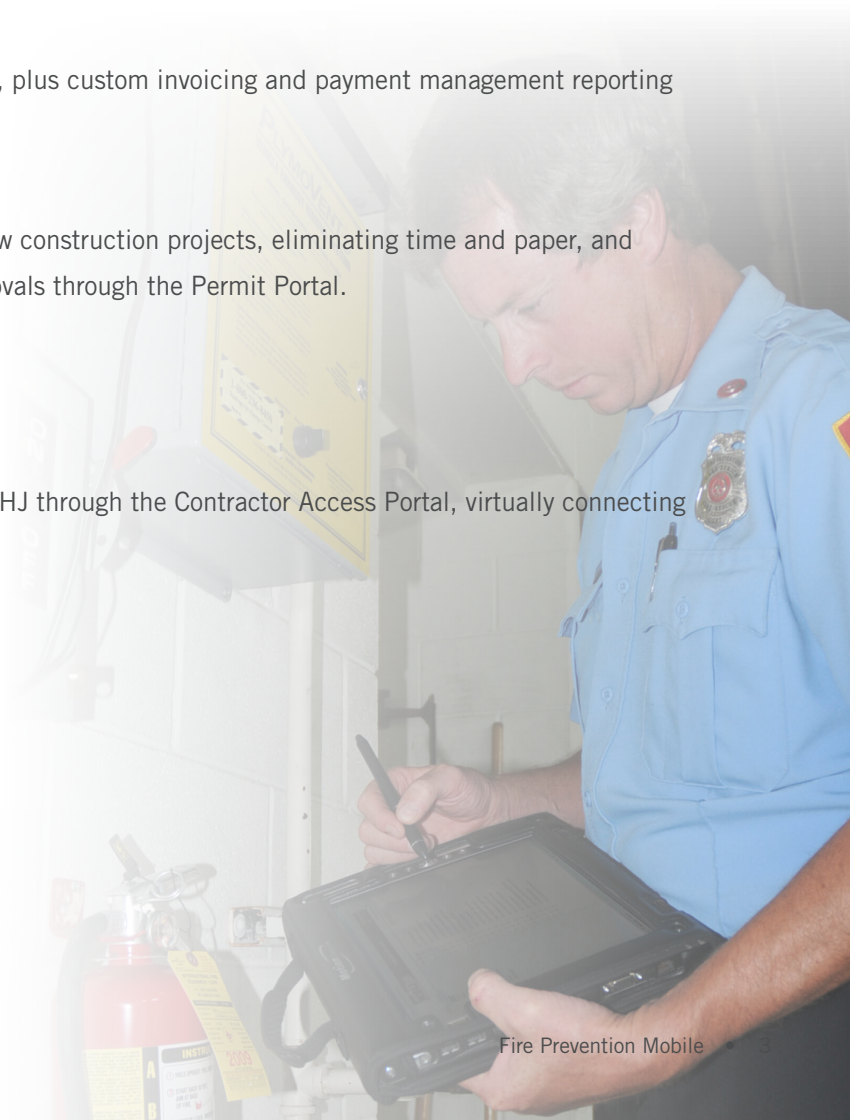

Permits Mobile

Manage inspections associated with new construction projects, eliminating time and paper, and enabling remote applications and approvals through the Permit Portal.

System Contractors

Contractor Access

Submit system compliance reports to AHJ through the Contractor Access Portal, virtually connecting fire departments with contractors.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) provides integrated software and technology services to the public sector. Tyler's end-to-end solutions empower local, state, and federal government entities to operate more efficiently and connect more transparently with their constituents and with each other.

By connecting data and processes across disparate systems, Tyler's solutions are transforming how clients gain actionable insights that solve problems in their communities. Tyler has more than 37,000 successful installations across more than 12,000 locations, with clients in all 50 states, Canada, the Caribbean, Australia, and other international locations.

Tyler was named to Government Technology's GovTech 100 list five times and has been recognized three times on Forbes' "Most Innovative Growth Companies" list. More information about Tyler Technologies, an S&P 500 company headquartered in Plano, Texas, can be found at **tylertech.com**.
